Wilbur tries his best to blend into the crowd as he waits for Sally. He does *not* have the energy to talk to Jared today.

Unfortunately, his luck is low today, and Jared notices him.

"Wilbur!" Jared greets cheerfully, as if they're old friends. "How are you, man? It's been a while."

Wilbur shifts on his feet uncomfortably. "I'm... I'm fine." He glances around, hoping to see Sally coming over, and he does! He makes an urgent motion with his hand.

"You know," Jared begins, "I've been missing you a lot recently." And fuck, this is what Wilbur was afraid of.

Wilbur smiles shakily, taking a couple of steps back.

"I was thinking... why'd we break up in the first place?" Jared continues.

And then Wilbur feels a comforting hand on his shoulder.

"He's taken," Sally says coldly.

Jared just stares for a moment. Then he takes a few steps back, and his voice is all sugar and politeness. "Right, right, of course, I'm sorry, ma'am."

Sally glares at him. "Apologize to Wilbur, not to me. It's pretty damn obvious to anyone with half a braincell that you're making him uncomfortable."

Jared sighs. "I'm really sorry, Wilbur. I had no idea you'd moved on from me so fast-"

Wilbur laughs at that. "Move on? From a guy who cheated on me and emotionally manipulated me? Yeah, of course I moved on fast." He turns and grabs Sally's hand. "C'mon, Sal, let's go."

[maid dress emporium]

sawwy the sawmon: holy shit that Jared guy is a dick
